If concerns regarding this project cannot be resolved in discussion with the District, a person/party may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as Part II Order). The Part II Order request must be received by the Minister of the Environment during the 60 day review period and a copy of the request should be forwarded to the District Municipality of Muskoka. If there are no requests received by November 2, 2014,

the project will be considered to have met the requirements of the Municipal Class EA, and the project will proceed to design and construction as presented in the ESR.

Minister of the Environment, Ontario

The Honourable Jim Bradley
77 Wellesley Street West
11th Floor, Ferguson Block
Toronto, ON M7A 2T5

With the exception of personal information, all comments will become part of the public record. Information collected will be used in accordance with the *Freedom of Information and Protection of Privacy Act* and solely for the purpose of conducting the environmental assessment.
